KARDAN UNIVERSITY

**BACHELOR'S IN
CIVIL ENGINEERING**
(2019 - 2020)

Program Introduction

Civil Engineering program at Kardan University is the combination of art, science, and technology to develop planning, design, management and maintenance of buildings, water resources, environmental, waste water and transportation system.

Modern engineering tools, state of the art techniques and knowledge are being transferred to the students that help in recognition of the University as a leading engineering institute in the country.

Stakeholder's input is obtained through frequent formal and informal meetings with graduates, alumni, employers, industrial advisory board and parents to remain relevant to the socio-economic needs of the society, locally as well as internationally.

Program Description

Kardan University pursues the Credit Based System (CBS). Under the credit-based system, students can select the number of courses based on their specific financial conditions or other preferences.

The Bachelor of Civil Engineering is to be completed over a four-year period. Students are required to complete 150 credits covering core, general electives and thesis or final project.

Summary of Courses	
Category	Credits
Core Courses	108
General Courses	36
Project Report	6
Total	150

Faculty members hold master's and Ph.D. degrees from international universities with a strong portfolio in international research, industry leadership and teaching.

Kardan University, the most recognized academic institution in Afghanistan as per the Ministry of Higher Education quality assurance standards (2018)

Civil Engineering Student Initiatives

Kardan University's Civil Engineering students actively participate in extracurricular initiatives. You can expand your skills through involvement in the Innovation Lab or join the Civil Engineering Student Society.

These initiatives promote creativity, innovation and development of futuristic ideas and projects.

Civil Engineering Department has established a showroom and testing lab to facilitate practical activities outside the classroom.

The Student Success Center

Kardan University's Student Success Center is the first student-focused initiative of its kind in Afghanistan.

The center assists our students and alumni achieve personal and professional excellence. The center is a hub for academic and extra-curricular initiatives that aim to help our students and alumni become more efficient, effective and successful. By partnering with faculty and other university offices, we ensure that our students and alumni excel both academically and professionally.

Some of the Success Center's benefits and services include:

- Advice about what student sport team, club or society to join on campus.
- Guidance on academic matters including free tutors, counselors and resources.
- Support and advice on job search, internships and career development.
- Provision of financial aid and merit scholarships to eligible students and alumni.
- Networking, professional development and mentoring opportunities.
- Guidance on international educational opportunities, including scholarships, conferences, exchange programs and more.

Office of Student Involvement and Events

By organizing events such as seminars, sports competitions, and study tours, we strive to enrich students' learning with knowledge from outside the class.

They are engaged in field-specific extracurricular activities through student clubs such as Innovation Lab (i-lab), Computer Science Students' Club, Debate Club, Vis Moot, Law, Political Science, and several sports clubs, including cricket, football, and volleyball.

Office of Career Services

Students get professional support to develop key skills needed in the job market. They learn skills like preparing professional resumes, cover letters and interview skills. We assist students with internships and job opportunities.

Work-Study Program

We offer part-time job opportunities within Kardan University campuses to qualified and committed students. Students can contact the Career Services to receive the job application form.

Office of Alumni and Gender Relations

The Office of Alumni and Gender Relations seeks to advise, empower and inspire our 30,000+ alumni with a focus on gender relations.

We offer a large variety of opportunities which help alumni stay in touch with Kardan and promote social interaction, professional networking and volunteer services. We organize alumni reunions, special training programs, facilitate the Distinguished Alumni Award Ceremony, and seek to create an equitable learning and teaching environment at Kardan University.

The Writing Center

The Writing Center at Kardan University is an advising and tutoring service which provides professional academic guidance to the undergraduate and graduate students.

The center provides a variety of services related to writing. Students may visit the center during any stage of the writing process: prewriting, writing or editing. We are here to help our students become better writers.

Office of Scholarships and Financial Aid

With Scholarships and financial aid opportunities, we are committed to ensuring no student is left behind from higher education only for financial reasons.

For year 2019, over Afs. 40 millions is allocated for eligible scholarships and financial aid applicants.

Merit Scholarships

We offer merit scholarships to those individuals who demonstrate academic excellence potential. Top scorers can receive up to 50 percent fee reduction during a semester.

Financial Aid

We provide fee reduction to male and female students who have financial limitations. Students can pick up an application form and submit for review and approval.

Applying to the Program

You have several options to apply for the Bachelor of Civil Engineering program at Kardan University.

We offer flexibility and support in every step of the way making your transition to university life easier.
