

پوهنتون کاردان
KARDAN UNIVERSITY

**BACHELOR'S IN
ECONOMICS**

PROGRAM INTRODUCTION

Economics is the study of how consumers, companies, and governments together make decisions on resources allocation.

The study of economics is central to understanding and analyzing national and international policy-making, financial markets, and economic systems.

The Bachelor of Economics is designed for those who wish to pursue careers as analysts, economists, consultants, and managers at governmental ministries and private sector organizations.

We use Experiential Learning and Student-Centered Learning which are the best approaches of teaching and learning in the world, to ensure high-quality student learning.

VISION STATEMENT

To provide an excellent environment for teaching, learning, and research.

MISSION STATEMENT

To equip students for dynamic economic policy-making, by focusing on market-oriented professional development and being research collaborate for economic policy development.

PROGRAM DESCRIPTION

Kardan University's Economics Department offers an integrated curriculum broadening students' knowledge and skills through core, specializations, and general courses.

The medium of instruction is English. Students generally opt for specializations during the senior years of their university studies. Please review Kardan University's course catalog for detailed course descriptions.
