KARDAN UNIVERSITY

Faculty of Economics

kardan.edu.af

Summary

Faculty of Economics was established in the year 2006 with BBA as its only degree program. In the year 2007, the Department of BSc. Economics became the second department in the Faculty. The MBA program has been added to the faculty in the year 2014. The Faculty of Economics offers degrees such as Bachelor of Science in Economics, Bachelor of Business Administration (BBA), and Master of Business Administration (MBA). Our academic staff includes national and international faculty members.

They teach nearly 90 courses to around 1200 undergraduate and 850 graduate students. The units that make up the Faculty of Economics, are national leaders in their respective disciplines, recognized by external international agencies who rank them the best in Afghanistan. All courses combine theory and practice, teaching methods at faculty of economics emphasize group projects, seminars, industrial visits, simulations and self-directed activities.

The BBA program at the Faculty of Economics has obtained its membership with International Accreditation Council for Business Education (IACBE) and Accreditation Council for Business Schools and Programs (ACBSP) and looking forward to receiving its accreditation from other well reputed accrediting body such as AACSB. The faculty also intends to get accreditation of its MBA and BSc. Economics in the future with IACBE and ACBSP.

Vision Statement

To instill excellence in teaching, learning, and Research

Mission Statement

To equip students for the dynamic business environment by focusing on market-oriented professional development, and being a research partner for public policy development.

Dean's Message

The Faculty of Economics is devoted to offering a modern learning experience that contributes to the advancement of our community, country and region. Our long-term plan for the faculty foresees blended learning that gives more support and elasticity to the learning process. We emphasize on the significance of research and extracurricular activities in the enhancement of students' experience, academics' development, and community service. Offering a robust academic program is our first step on our way to be the most modern Business Administration program in the region, recognized for its excellence in education, research and community service. I seize this opportunity to invite students and parents to have a closer look at our programs, resources and facilities all aimed at ensuring academic and professional excellence.

Dr. Habib Gul Zadrán

Dean, Faculty of Economics

Department of Master Business Administration (MBA):

Kardan University's Master's in Business Administration (MBA) prepares individuals for professional career opportunities in today's challenging business environment.

The program equips its graduates with the knowledge, skills, and competencies necessary to achieve their professional business objectives.

The MBA program at Kardan University is designed in a way that students broaden their perspective of business and include Management, Marketing, Accounting, Human Resources, Organizational Behavior, and Business Research.

Students who have completed bachelor's degree in economics or related field are required to take 42 credits in order to graduate. However, students who have completed their bachelor degree in other fields will require to take 60 credits to graduate.

To be recognized as a trendsetter in management education with the core focus on achieving academic excellence.

To enable student becoming business management leaders.

Department of Economics

Kardan University's Economics Department offers an integrated curriculum broadening students' knowledge and skills through the core, specializations, and general courses. The medium of instruction is English, and students generally opt for specializations during the senior years of their university studies. The Bachelor of Economics is designed for those who wish to pursue careers as analysts, economists, consultants, and managers at governmental ministries and private sector organizations. We use Experiential Learning and Student-Centered Learning, which are the best approaches of teaching and learning in the world to ensure high-quality student learning.

To be a center of excellence in teaching, learning and research in the field of economics.

To equip students with dynamic knowledge of economics, research and skills required for sustainable economic development.

Department of Business Administration

A Bachelor's in Business Administration degree from Kardan University will provide students with the academic credentials, practical insights and business experience they require to transform their interests, and passions into a rewarding career. The department uses Experiential Learning and Student-Centered Learning which are the best approaches of teaching and learning in the world, to ensure high-quality student learning. Our BBA graduates have gone to establish their own businesses, manage firms, obtain Master's and Doctoral degrees, and lead major national and international organizations. The BBA graduates at Kardan University are among the top recipients of Fulbright, Chevening and other outstanding international scholarships.

Achieving excellence in business education, professional development and research.

To produce professionally sound graduates for successful management of organizations in a dynamic business world

Laboratories

Criminal Technique Lab

The Faculty of Law of Kardan University established a well-equipped Criminal Technique Lab in the year of 2020. In this lab, Law students can perform practical activities related to the criminal technical laboratory under the supervision of the laboratory expert.

CISCO Lab

In line with Kardan University's strategic goal of 'Excellence in Innovation and Growth', we are glad to announce the establishment of Kardan University CISCO Lab. The facility will enable Computer Science students, especially those studying networking related subjects, to practice the theories they learn in class. The lab will ultimately prepare the students for going ahead for CISCO Certifications which have high credibility worldwide.

Website: <https://kardan.edu.af/CiscoLab/>

Engineering Lab

Kardan University Engineering Lab is equipped with the latest equipment which allows Engineering students to practice the theories they learn in class. The lab is devoted to the advancement of practical education and technology in the field of Engineering. Additionally, it offers student the opportunity to put their ideas together and come up with creative solutions to the existing problems related to the field of Engineering.

Website: <https://kardan.edu.af/Academics/Faculty-of-Engineering-and-Technology/>

Computer Labs

Kardan University's computer labs offer modern IT services to students and faculty throughout the academic year. Computer labs include Windows systems, printers, a wide variety of current software, and high-speed connections to the Internet. Additional resources in select computer labs include flatbed scanners; audio, video, and image editing; web and print publishing.
