KARDAN UNIVERSITY

**MASTER'S IN
BUSINESS ADMINISTRATION**

If you are seeking an exciting business education program, you have come to the right place. At Kardan University MBA, we select and inspire the most promising students who have excellent academic records and demonstrate leadership and entrepreneurial potential.

IACBE Accredited Program

As a leading business graduate program of its kind in Afghanistan, Kardan University's Master of Business Administration (MBA) has achieved its full accreditation status through the International Accreditation Council for Business Education (IACBE) based in Kansas, USA.

Recognized by the Council for Higher Education Accreditation (CHEA), the IACBE has hundreds of member institutions with campuses worldwide and has accredited more than 1,800 business and business-related programs worldwide.

A National Leader in Higher Education

Kardan University is an internationally recognized university renowned for its academic excellence. We bring together seasoned industry experts, government leaders, and distinguished faculty members to create a rigorous learning environment for our students.

Our graduates are among the most sought after professionals working in public, private, and non-profit sectors.

Learning Environment

Kardan University is an ideal place for individuals who are passionate about business, global affairs, and networking.

The program underscores self-study assignments, case studies, research-intensive work, and concentrated classroom interactions. In every stage, peer to peer interactions promote mutual collaboration, learning, and problem-solving skills.

Distinguished Faculty Members and Industry Leaders

Under the direction of distinguished faculty members, classrooms become crucibles for leadership, as students test their judgment, explore complex ideas and reflect on their learning styles.

Theoretical exchanges and lectures are further reinforced with the engagement of top industry leaders who directly relate to today's business world realities.

PROGRAM INTRODUCTION

Kardan University's Master's in Business Administration (MBA) prepares individuals for professional career opportunities in today's challenging business environment.

The program equips its graduates with the knowledge, skills, and competencies necessary to achieve their professional business objectives.

The MBA degree is especially valuable for individuals who plan to advance their careers through

leadership opportunities within a broad range of organizations.

The MBA program at Kardan University is designed in a way that students broaden their perspective of business and include Management, Marketing, Accounting, Human Resources, Organizational Behavior, and Business Research.
