KARDAN UNIVERSITY

**MASTER'S IN  
INTERNATIONAL RELATIONS**

---

## DEAN'S MESSAGE

I take this opportunity to welcome you all to the Faculty of Social Sciences (FSS) of Kardan University. Our goal at FSS is to train the future leaders of Afghanistan. Hence, we do not focus on teaching alone; we equally work with our students and faculty to enhance their practical skills and research capabilities. Kardan Journal of Social Sciences and Humanities (KJSSH) is a testament to our to research as a priority.

Our degree programs are unique because they are tailored in a manner that brings modern knowledge to respond to the needs of Afghanistan.

Our degree programs are offered in English Language in order to produce students who can respond to the market needs and prove their abilities in the job market. We are pleased to have successfully conducted a needs assessment for designing our curriculum and have implemented the new programs.

The Department of Master's in International Relations (MIR) offers programs that are timely and vital for our country. National and international security, diplomacy, peace and conflict resolution, economic development and international trade are some of the specializations offered in this program, which is destined to provide skilled diplomats and peacebuilders to the Afghan and international arena.

I feel honored to contribute to the vision and mission of Kardan University and assure you that you have joined the institution which values your dreams and ensures you achieve them.

**Dr. Ahmad Khalid Hatam**

Dean, Faculty of Social Sciences

---

## PROGRAM INTRODUCTION

Kardan University sets the pursuit of new knowledge at the core of its values and has always strived to become the leading university in promoting modern concepts through the introduction of new programs.

The Master of International Relations is an intellectually rigorous graduate program designed for students with a passion for contemporary global issues.

## PROGRAM OBJECTIVES

Graduating from the Master's in International Relations program with an in-depth knowledge in IR, students will be able to:

- Play a significant role as an IR expert in shaping Afghanistan's foreign relations
- Analyze and develop economic and diplomatic policies at the international level
- Work in different national and international organizations with the necessary acquired knowledge and skills in IR
- Be informed of issues and situations at the regional and international levels, and contribute in the development of national strategies
- Become an academician in the field of IR, and share their knowledge and experience through public and private universities
- Play a significant role, using strong analytic skills, in the policy and decision making processes at diplomatic institutions

---

## IMPORTANCE OF MIR PROGRAM

Looking at the current significant role of international relations and the need for more diplomatic relations and cooperation with other states and international organizations, the importance to educate and inspire an expert cadre in international relations is deemed more crucial than ever.

---

## ONLINE EDUCATION

Approved by the Ministry of Higher Education, Kardan University's online education programs are designed in a way in which students and faculty are consistently engaged, challenged, and inspired. These online courses give you the opportunity to plan and schedule your study time.

You can study and work at your convenience. Course materials are always available online helping you to balance work and family commitments with your education.

- Distinctive Learning and Teaching Environment
- Interactive Learning Environments and Technology
- Supportive Team of Academic Professionals
- Convenience and Flexibility

Kardan University's online education programs build on our national and international accreditations, outcome-based education principles, and student-centered approaches. Our online education initiatives are both unique and innovative in Afghanistan.

Our distinct online learning environment reflects the same principles and standards that make Kardan University the best university in the country.

---

## MYKARDAN

MyKardan is Kardan University's official student portal, a central hub where the entire student journey is captured and reflected. The portal is tailored to you as an individual, so you can make sure you are getting the information you need. As a student, MyKardan is where you can:

- Apply for scholarships and financial assistance programs
- Select and drop courses for each semester
- View your class schedule, attendance, tuition fee and grades
- View the course and program grades
- Evaluate the professor performance and provide feedback
- Access academic contents including e-books, lectures, videos, etc.
- Access and submit assignments, quizzes, and other class activities.
- Access Kardan University's digital library including access to the JSTOR, one of the world's largest libraries of academic journals, books, and primary sources

The development of an exceptional and high-quality online experience is fundamental to our learning and teaching approach. We combine world-class best practices, faculty expertise, modern technology, and innovation to shape and transform the student journey.

## ACADEMIC STRUCTURE

The Master of International Relations consists of two concentrations Peace Building & Diplomacy and National Security.

The program duration for students with a Bachelor's in IR, Political Science, and Law (specializing in administration and diplomacy) is two years.
