KARDAN UNIVERSITY

MASTER OF INTERNATIONAL RELATIONS

CHANGE

THE

WORLD

Kardan University sets the pursuit of new knowledge at the core of its values, and has always strived to become an industry leader in promoting new knowledge through the introduction of new programs. The Master's in International Relations is a new and intellectually rigorous graduate program designed for students with a passion for contemporary global issues.

**KARDAN : A VIBRANT UNIVERSITY
INSPIRING ACADEMIC AND
PROFESSIONAL EXCELLENCE**

Program Objectives

Graduating from the Master's in International Relations program with an in-depth knowledge in IR, students will be able to:

- To identify and describe the major processes in the international system including globalization, integration, and the causes of conflict.
- To accurately identify the major theories and dominant paradigms in the study of international relations and foreign policy analysis as well as the major actors in the international system and their function and interaction in the interstate relations.
- Analyze and develop economic and diplomatic policies at the international level.
- Work in different national and international organizations with the necessary acquired knowledge and skills in IR
- Be informed of issues and situations at the regional and international level, and contribute in the development of national strategies.
- Become an academician in the field of IR, and share their knowledge and experience through public and private universities.

Importance of MIR Program

Looking at the current significant role of international relations and the need for more diplomatic relations and cooperation with other states and international organizations, the importance to educate and inspire an expert cadre in international relations is deemed more crucial than ever.

Academic Structure

The Master of International Relations consists of two concentrations “International Trade and Economic Development” and “Peace Building and Conflict Resolution”.

The program duration for students with a bachelor’s in the IR or similar discipline is two years. However, for students with a bachelor’s in a different discipline, the program duration is two and half years. Pre-requisite courses are required for students who do not have the required international relations background.

Students who have completed a bachelor's degree in IR or related field are required to take 42 credits in order to graduate.

Subjects Categorization	Number of Credits
Core	24
Specialization (optional)	12
Capstone Project	6
Total	42

Students coming from a different discipline will have to complete 60 credits.

Subjects Categorization	Number of Credits
Pre-requisite	18
Core	24
Specialization (optional)	12
Capstone Project	6
Total	60

Fee Structure

Kardan University delivers high quality education in a world-class environment. Our fee structure reflects the high academic quality and modern learning standards. The fee structure is designed based on the credit system giving students the flexibility to choose the number of credits, schedules and courses offered. We are also proud to offer several merit scholarship and financial assistance opportunities. Student Success Center

Kardan University's Student Success Center is the first student-focused initiative of its kind in Afghanistan.

The center assists our students and alumni achieve personal and professional excellence. The center is a hub for academic and extra-curricular initiatives that aim to help our students and alumni become more efficient, effective and successful. By partnering with faculty and other university offices, we ensure that our students and alumni excel both academically and professionally.

Some of the Success Center's benefits and services include:

- Advice about what student sport team, club or society to join on campus.
- Guidance on academic matters including free tutors, counselors and resources.
- Support and advice on job search, internships and career development.
- Provision of financial aid and merit scholarships to eligible students and alumni.
- Networking, professional development and mentoring opportunities.
- Guidance on international educational opportunities, including scholarships, conferences, exchange programs and more.

Office of Student Involvement and Events

By organizing events such as seminars, sports competitions, and study tours, we strive to enrich students' learning with knowledge from outside the class. Students are engaged in field specific extracurricular activities through student clubs such as Innovation Lab (i-lab), Computer Science Students' Club, Debate Club, Vis Moot, Law, Political Science, Photography and several sports clubs, including cricket, football, and volleyball.

Office of Career Services

Students get professional support to develop key skills needed in the job market. They learn skills like preparing professional resumes, cover letters and interview skills. We assist students with internships and job opportunities.

Work-Study Program

We offer part-time job opportunities within Kardan University campuses to qualified and committed students. Students can contact the Career Services to receive the job application form.

Office of Alumni and Gender Relations

The Office of Alumni and Gender Relations seeks to advise, empower and inspire our 16,000 + alumni with a focus on gender relations. We offer a large variety of opportunities which help alumni stay in touch with Kardan and promote social interaction, professional networking and volunteer services. We organize alumni reunions, special training programs, facilitate the Distinguished Alumni Award Ceremony, and seek to create an equitable learning and teaching environment at Kardan University.

The Writing Center

The Writing Center at Kardan University is an advising and tutoring service which provides professional academic guidance to the undergraduate and graduate students.

The center provides a variety of services related to writing. Students may visit the center during any stage of the writing process: prewriting, writing or editing. We are here to help our students become better writers.

Office of Scholarships and Financial Aid

With Scholarships and financial aid opportunities, we are committed to ensuring no student is left behind from higher education only for financial reasons. For year 2018, over Afs. 25 millions is allocated for eligible scholarships and financial aid applicants.

Merit Scholarships

We offer merit scholarships to those individuals who demonstrate academic excellence potential. Top scorers can receive up to 50 percent fee reduction during a semester.

Financial Aid

We provide fee reduction to male and female students who have financial limitations. Students can pick up an application form and submit for review and approval.

Applying to the Program

You have several options to apply for the MIR program at Kardan University. We offer flexibility and support in every step of the way making your transition to academic life easier.
